

## **2019-2020 North Carolina Governor's School**

**Parent/student informational meeting Monday, September 30<sup>th</sup> at the EC in Clyde (next to Central Haywood High School) from 6-7pm!!**

Governor's School is the oldest statewide summer residential program for gifted and talented high school students in the nation. This program is open to *rising* seniors /current juniors ONLY (with the exceptions made for *rising* juniors / current sophomores in selected performing / visual arts areas). This special program is located on two campuses: Governor's School West at Salem College in Winston-Salem and Governor's School East at Meredith College in Raleigh. The academic environment of Governor's School thrives upon the intellectual curiosity of students and faculty alike. Classes blend intellectual discussion with practical application of theory. The campuses are alive with visiting speakers, performances, exhibitions, field trips, demonstrations, optional seminars, and film series. Social and recreational events complement the academic focus. Tuition per student is \$500, but this cost has been funded in the past and (we hope!) will continue to be covered for students: families should only be responsible for transportation cost to and from campus.

Students will select an area in which to apply:

### **Academic Disciplines include:**

- English
