Senior Portrait sessions began this Saturday August 15th and run thru August 28th.

Due to the Covid Pandemic we must follow strict scheduling and social distancing guidelines.

These guidelines have a serious effect on how we operate and what we can offer.

Strict Social distancing will be required.

Hand sanitizing is done by each staff member and student. Each person entering the building will have a temperature check and be required to wash their hands or use hand sanitizer upon arrival.

Please Arrive 15 minutes before your scheduled session time.

We need to take your temperature and ask the required questions that allow us to have you enter the building. Then go thru the check in process before we proceed with your senior portrait session.

Because of the tight restrictions if you are more than 10 Minutes late it is possible your appointment will be considered canceled and the pre paid non- refundable session fee forfeited. We do not want that to happen and we understand things can happen. But the only way we can stay on task is if everyone shows up on time. If you are more than 10 Minutes late be sure to call to see if we can reschedule you in a time slot on the same day. 828-283-0101. If you just do not show up and skip your appointment be prepared to pay an additional session fee. We are blocking out limited time for your session and that is expensive time we cannot get back!

The Basic Senior portrait session includes the traditional formal tuxedo or drape photo. We take sanitizing these items seriously. Each item used for your senior portrait will be sanitized between use. We are using several methods of sanitation. including Medical Grade UVC lighting (like they use in hospitals) EPA approved and in a controlled storage room Ozone -O3, Safeguard fogging.

In addition all touch surfaces are sanitized between seniors and any visiting parents.

We are taking all reasonable precautions above and beyond what is required. However if you are not comfortable with putting on a Tux Jacket, Formal shirt, Formal Drape we recommend that you not schedule an appointment.

We will have on hand clean sanitized T-shirts for the men as well as clean sanitized Tube Tops for the women. We recommend that the men arrive with their own clean plain white t-shirt and the women bring a black or dark color Tube top to wear under the formal drape,

The Studio will be cleaned and sanitized each day and in between use.

We are restricted to the back entrance, Studio and lobby area

- >All Staff will be wearing masks and seniors and the accompanying parent are required as well.
