PREFACE

The NC-075th Cadet Corps Guide was prepared to establish high standards of performance for cadets enrolled in the Tuscola High School, NC-075th AFJROTC Cadet Corps.

These standards allow the entire Cadet Corps Group to work together towards a common goal of proficiency; thus, allowing you to earn a sense of pride in each of your achievements.

Moreover, make the NC-075th Cadet Corps one of the best in the United States.

Cadets are encouraged to refer to the Cadet Corps Guide often—in other words, when in doubt check it out.

We believe most cadets will voluntarily work for the betterment of the group especially if they are aware of their goals and mission of our unit.

You, as a cadet, are responsible for obtaining a thorough understanding of the contents of this Cadet Corps (*Reference*) Guide. Only then, can you maximize your experience and participation in the AFJROTC Program. Moreover, apply these standards to the benefit of yourself, the NC-075th Cadet Corps, Tuscola High School, and our community.

Use of the information contained in this guide can be very helpful to the performance of your unit.

The NC-075 Cadet Guide is designed to provide you a guide for AFJROTC operations.

It provides an overview of AFJROTC programs and Co-Curricular activities, and has been developed to enhance your understanding of AFJROTC operations to help in handling the variety of issues that may arise daily in our unit.

It will be updated regularly to provide the most current information in one easily accessed location.

We hope you will find the NC-075 Cadet Guide to be a useful reference tool.

Do not hesitate to contact your chain-of-command and/or instructors for clarifications.

Likewise, if you feel there are issues that should be covered in future updates of this NC-075 Cadet Guide.

Salutes will be rendered while outside in uniform, reporting in, or during a ceremony where saluting is warranted. No Hat/No Salute Areas have been established by the SASI. In general, these locations are the short walkways on Tuscola Campus.

4. Walking With Cadets and Military Personnel of a Higher Rank: When walking with a cadet of higher rank, walk to their left and in step. When passing through a doorway, the person of lower rank opens and holds the door and allows the person of higher rank to proceed through the doorway first. When boarding and leaving a vehicle, the person of lower rank gets in first and gets out last.

5. Treatment of Cadets: Fellow cadets are to be treated with courtesy and respect. Hazing, physical/verbal assault, or any other types of degrading behavior are not permitted.

6. Calling Rooms to Attention: When the United States Flag, Principal, Assistant Principal, SASI/ASI, military officer, or distinguished guest, enters the room, the first person that notices their presence calls the room to attention. The occupants of the room remain at attention until ordered otherwise (e.g., "carry on," or "as you were."). The room will not be called to attention if a higher ranking person already occupies the room (e.g.; if the ASI enters the classroom while it is already occupied by the SASI).

Further guidance can be located in the Cadet Corps Operations Plan.

9. Quibbling: When a Cadet Officer or NCO gives an order, it can be considered to be an order from the Cadet Commander. This means that orders should be followed to the full extent. Cadets who feel they are being treated unfairly should still carry out the order to the best of their ability without quibbling. After the order has been carried out, then they should attempt to discuss the incident to the ordering Officer/NCO. If the Cadet still feels that they are being treated unfairly, then they should take the incident to the next cadet on the chain of command. *Note: see para. 11 below of list of exceptions*

10. Answering Superiors:

a. When answering a question or replying to an order given by the SASI/ASI, Military Officer/NCO, Senior Cadet Officer, or other appointed commanders, the cadet will reply using the following:

This includes any degrading comments or discrimination with respect to race, religion, ethnicity, gender, or any other offensive remarks. Most importantly, if a cadet senses that his/her physical well-being is in danger, or an incident occurs that requires immediate teacher or administrator attention, he/she will call a “Knock-it-off.” The intent of this phrase is to automatically bypass the Cadet Chain of Command, and report such serious incidents directly to the SASI/ASI. Cadets will only call “Knock-it-offs” in the appropriate circumstances, and will not abuse the phrase to bypass or undermine the cadet chain of command.

Be sure the area around your desk is clean and where applicable, your chair is left in the proper position. In the Absence of the Flight Commander, the Flight Sergeant will dismiss the Flight.

12.10. Cadet Administrative Time: The first five minutes of class after taking report of flight belong to the Flight Commander/Flight Sergeant. That time will be used to brief the flight on any new information or upcoming events. On occasion an Upper-Class Cadre may conduct class, or teach a specific lesson.

12.11. BASIC MILITARY COURTESY

12.11.1. Yes Sir/Ma’am: Cadets will address the SASI, ASI, and other AFJROTC cadets with the words, “*Sir/Ma’am*”, “*Yes Sir/Ma’am*” and “*No Sir/Ma’am*” as appropriate. These rules also apply when addressing any other personnel who warrant such courtesies (principal, teachers, visiting military/guests, etc.).

12.11.2. Cadet Rank vs. Military Rank: Cadet rank/grade will not be confused with U.S. Military Rank/grades. The word *cadet* will be a part of any written or spoken reference to a specific cadet rank. When writing your rank and name,

A salute is a courteous form of military greeting that may be exchanged between any cadets, but is not required. If a cadet renders a salute common courtesy requires that the salute be returned.

c. American Flag: When a cadet in uniform sees the American Flag being raised on a flagpole, he/she will assume the position of attention, render the hand salute, and hold it until the flag reaches the top of the flagpole. When the flag is being lowered, the salute will be held until the flag reaches the hands of the individuals lowering the flag. When a Color Guard passes bearing the American flag, cadets will come to attention and render a salute until the American Flag is 10 paces past them.

d. Late Reporting: When a cadet is late for an official formation, he/she will approach the cadet in command when the formation is at a halt. He/she will salute and request permission to fall in, i.e. *"Sir/Ma'am Cadet Tech Sergeant Smith, requesting permission to fall-in, Sir/Ma'am."* This also applies to flag raising/lowering ceremonies, and details.

12.12.2. Saluting Areas: The mandatory saluting areas at Tuscola High School are:

13. History of AFJROTC.

Air Force Junior Reserve Officer Training Corps (JROTC) can track its heritage to a program founded in 1911 in Cheyenne, Wyoming, by Army Lt Edgar R. Steevers. Lieutenant Steevers was assigned as an inspector-instructor of the organized military of Wyoming. During his assignment, he envisioned a non-compulsory cadet corps comprised of high school students. His program was aimed toward making better citizens.

The National Defense Act of 1916 authorized a junior course for non-college military schools, high schools and other non-preparatory schools. The Army implemented JROTC in 1916. Public Law 88-647, commonly known as the ROTC Vitalization Act of 1964, directed the secretaries of each military service to establish and maintain JROTC units for their respective services. The first Air Force JROTC programs were opened in 1966. Air Force JROTC (AFJROTC) is a continuing success story. From a modest beginning of 20 units in 1966, AFJROTC has grown to over 884 units throughout the world, with well over 103,000 cadets enrolled. The AFJROTC program positively influences our country by helping one student at a time. Comprised solely of active duty Air Force retirees, the AFJROTC instructor force is helping to form tomorrow's nation by educating proud and patriotic cadets—tomorrow's leaders.

SECTION THREE: CADET PROMOTION PROCESS

3.1. General. *Promotions are an integral part of the AFJROTC program and are designed to reward individuals when their performance meets the standards outlined in policies and directives. It is an honor to be promoted and a special honor to meet all promotions on time.*

3.2. Definitions:

- 1. Permanent Rank:** Permanent rank *is earned* by the amount of time you spend in the ROTC program (called time-in-grade) and by how well you perform during your time-in-grade. All cadets will wear their permanent rank unless selected for a position that requires a higher rank.
- 2. Temporary Rank:** Temporary rank *is assigned* when you serve in any Group/Squadron/Flight position of duty. All staff/flight positions have a temporary rank associated with that position. Cadets are eligible to wear the temporary rank as long as they serve in the position. They will return to their permanent rank once you complete your tour of duty.
- 3. Officer Rank:** Officer Rank *is assigned* as a special privilege and responsibility to those individuals who show exceptional leadership. To be considered for officer rank, you must first complete a cadet officer leadership program. Officer rank is accompanied by more responsibility in the cadet corps. At SASI discretion, if a cadet holds an officer rank for two or more grading periods, then he/she may retain that rank, regardless of staff duty status, for the rest of the year.
- 4. Spot Promotion:** A spot promotion is an immediate and “on the spot” change in rank that can be earned by extraordinary actions. Spot promotions are rare, but will be awarded anytime the instructors determine an individual has shown that exceptional ability or outstanding character.
- 5. Demotion:** A demotion is the loss of rank caused by serious infractions, or failure to meet standards set for the rank assigned. Loss of temporary rank is not considered a demotion.
- 6. Senior Rank Privilege:** At SASI discretion, seniors who serve with a temporary rank higher than their permanent rank may keep the temporary rank for their senior year.

3.3. Promotion Process:

- 1. General:** It is important to have a fair and equitable promotion policy for all cadets. Promotions will be based on participation in corps activities/teams, merit/demerit points, performance in academics, uniform wear, military bearing, and leadership. Substandard performance in any area may be grounds for a promotion to be denied or withdrawn (demotion). NC-075 provides a positive environment where everyone can advance according to demonstrated abilities and performance.
- 2. Cadet Promotion Board:** All promotions will be conducted by the Cadet Promotion Board at the end of each semester. The board normally consists of the following: Group Commander, Deputy Commander, Command Chief, First Sergeant, and Flight Commanders. All decisions regarding promotions, demotions, and rank detainment, will be published as special orders and posted in the classroom. All special orders must be approved by the SASI and ASI. (On Spot promotions Cadets are not required to appear in front on a Cadet Promotion Board).

3. Permanent Rank Progression: The following chart describes the permanent rank progression based on longevity.

	1 st Sem. thru 2 nd Sem.	
AFJROTC I	E-1	thru E-2
AFJROTC II	E-2	thru E-3
AFJROTC III	E-3	thru E-4

Group Staff: These cadets rank is structured and deemed appropriate by the Group Commander/SASI/ASI.

SECTION FOUR: CADET EXPECTATIONS (*i.e.*; STAFF, DISCIPLINE, and GENERAL GRADING POLICIES)

4.1. Staff Appointments: Throughout the academic year various Group Staff positions may become available. The potential staff member must submit a one page essay on why he/she should become a staff member and what he/she has to offer the corps. To become a staff member, the cadet must stand in front of the Cadet Evaluation Board. When a staff position becomes available, Flight Commanders will notify their cadets on the date, time, and location of the Eval Board. Any cadet is welcome to pursue a staff appointment, but the cadet must meet high standards of integrity, dedication, responsibility, professionalism, and military bearing. The cadet must be involved in corps activities/teams and project a positive image of Tuscola AFJROTC. Also, they must have an academic average of at least a "C" in all classes, and an "A" average in AFJROTC.

4.2. Cadet Evaluation Board: The Cadet Eval Board will serve to evaluate all cadets that have: committed serious infractions, exceeded their demerit point limit, failed AFJROTC for a grading period, are pursuing a staff appointment, or are under review for staff dismissal. An Eval Board may be called at any time with the approval of the Group Commander and the SASI.

The Cadet Eval Board will consist of five Group Staff personnel.

The Cadet Eval Board Chairman will be an upper-class cadet on the senior staff at all times possible. If the cadet under evaluation is an enlisted cadet, then 3/5 of the Eval Board will be enlisted cadets as well, the remaining two will be cadet officers.

If the cadet under review is a cadet officer, then 3/5 of the Cadet Eval Board will be cadet officers as well, the remaining two will be enlisted cadets.

The evaluated cadet will be notified in writing by the Evaluation Board Chairman of all decisions and guidelines established by the Cadet Evaluation Board after the Eval Board is ended.

The cadet must abide by all decisions and guidelines established by The Cadet Evaluation Board.

If a cadet is absent for his/her Eval Board, the Cadet Evaluation Board will make a decision regarding discipline, reward, appointment, or dismissal in the absence of the cadet.

4.3. Cadet Eval Board Appeal:

If a cadet wishes to appeal the decision of the Cadet Evaluation Board, he/she may type a letter of appeal in USAF memorandum form to the Command Chief Master Sergeant.

The letter should include: why the cadet was put under evaluation, the decision and guidelines established by the Cadet Evaluation Board, why they are sending a letter of appeal, and what they feel should be done regarding the Cadet Evaluation Board's decision.

The letter of appeal will be replied to promptly by the Command Chief, and a second Eval Board may be conducted.

If the cadet feels that they are still being treated unfairly, they may discuss the situation with the SASI/ASI.

4.4. Using the Chain of Command. The Chain of Command's purpose is to draw a line of responsibility and authority up the chain to the top. Cadets should make every attempt to resolve problems at the lowest level possible—starting within their respective flights. If the cadet is unable to resolve the problem at that level, then the Flight Commander will arrange for the cadet to see the desired level of authority. The only authorized bypass of the Cadet Chain of Command is described in Section 1.6.1, paragraph 11, "Knock-It-Offs."

4.8. GRADING PROCEDURES: Cadets are graded based on their attitude, willingness to participate, and compliance with procedures. Cadets receive three standards grades each week: Weekly Physical Fitness grade, Weekly Uniform Inspection grade, and Weekly Discipline grade. Weekly Physical Fitness grades and Weekly Discipline Grades are worth 100 points each week, and Weekly Uniform Inspections are worth 200 points each week. In addition, cadets receive participation grades for special events such as parades or cadet promotion boards. Cadets who fail to wear the issued PHYSICAL TRAINING GEAR (PTG) uniform will receive a maximum Weekly Physical Fitness grade of 50. Cadets who fail to wear the AFJROTC blue uniform will receive a Weekly Uniform Inspection grade of zero. Initially, failure to wear the PTG uniform or AFJROTC blue uniform will only impact the Weekly Physical Fitness grade or Weekly Uniform Inspection grade respectively. If cadets consistently refuse to wear the PTG uniform or AFJROTC blue uniform over a period of time, it will impact their Weekly Discipline grade also. The Weekly Discipline grade takes into account a cadet's overall discipline for each week. **HABITUAL (REPEATED) NON-WEAR OF THE UNIFORM AND FAILURE TO MAINTAIN STANDARDS WILL RESULT IN A FAILING GRADE AND DISMISSAL FROM THE PROGRAM.** Grades will be computed in accordance w/standard district grading policy.

Course Evaluation	Number of Points Awarded
1. Weekly Physical Fitness (16 at 100 points each)	1,600
2. Weekly Uniform Inspection (13 at 200 points each)	2,600
3. Weekly Discipline (17 at 100 points each)	1,700
4. Parades, Special Events, Projects (1 at 100 points each)	100
5. End-of-Semester Final Exam* (1500 points)	1,500
	Total 7,500

*The Final Exam will appear in the electronic gradebook as being worth 100 points, but the Final Exam counts for 20% of the overall grade for the course. Therefore, the adjusted value of the Final Exam is 1,500 points.

GRADING SCALE: As set by the North Carolina State Board of Education

Grade	Percentage Required
A	90 and above
B	80 - 89
C	70 – 79
D	60 - 69
F	59 and BELOW

4.8.1. Academics. See separate Tuscola High School Course of Study and Cadet Syllabus Handout forthcoming under separate cover, which will provide complete curriculum requirements, syllabus, and grading details. *NOTE: the SASI will not allow a cadet who is failing any of his/her classes to participate in NC-075 Curriculum in Action Trips.*

4.8.2. Drill. Drill training will be intensive during the first two-three weeks of school. Subsequently, drill will occur typically on Mondays and Wednesdays in conjunction with the day we wear the uniform. Cadets will be required to perform at least one graded drill event each nine weeks and to command a graded 30-Step drill sequence once per semester.

*****4.8.3. PHYSICAL TRAINING (PT)/ WELLNESS CLASS.** Air Force JROTC has implemented the *Presidential Challenge Physical Fitness Test*; details about the test will be provided in class. Cadets will NOT be graded on how well they perform during PT/Wellness Class; they WILL be graded on:
a) whether they are willing to make an honest effort to try the exercises/activities.
b) whether or not they dress out in the issued AFJROTC PHYSICAL TRAINING GEAR (PTG) uniform. Cadets are required to dress out in the unit issued PTG uniform during AFJROTC class period on specified Tuesdays.

4.8.3.1. *If they fail to dress out, they will receive a grade of 0 for the day and not be allowed to participate. They will stand at Parade Rest for that class period, and may earn an administrative disciplinary referral to the main office.*

4.8.3.2. *The NC-075 unit issues each cadet a Physical Training Gear (PTG) uniform. NC-075 has alternate physical fitness clothing options; and cadets may purchase them if they desire. Cadets may wear either the standard issue or alternate PTG clothing items during PT/Wellness Class.*

4.8.3.3. *NO PTG MAY NOT be mixed with any combination of the Air Force blue uniform or ABUs. NO PTG cannot be substituted for the weekly uniform wear day.*

4.8.4. Military Bearing. Military bearing is evaluated daily, and cadets will receive a military bearing grade every week. That grade will be based upon: general ability to follow class instructions, display self-discipline, AF 341 merit/demerit points, and correction of problems identified by instructors. As specific examples, if a cadet fails repeatedly to comply with Air Force grooming standards, comply with Air Force customs and courtesies to adults/school/superior cadet officers/instructors, or turn in assignments as required, those infractions will also impact their military bearing grade. Specifically, if the SASI/ASI reminds a cadet to get a haircut during a weekly uniform inspection, the next week the cadet will lose 25 points on the military bearing portion of the uniform inspection. Additionally that cadet will lose points on the 9 weeks' military bearing grade.

5.4.5. Unauthorized Clubs. We DO NOT encourage, facilitate, or otherwise condone secret societies or private clubs as part of the NC-075 AFJROTC program.

5.5. Transfer Cadets. In some cases, a cadet may transfer from another AFJROTC unit or from a high school, which offered one of the other military services' JROTC. While academic credit may be transferred, cadet positions and rank earned in another unit are not necessarily transferable. Temporary rank normally relates to the cadet's position in the Cadet Corps. His/her permanent rank is normally tied to the cadet's year in Junior ROTC. Awards and decorations from other service JROTC units will be worn below AFJROTC awards and decorations. Authorized Civil Air Patrol (CAP) ribbons will be worn below other service JROTC ribbons. All transfers will be evaluated by the SASI on a case-by-case basis to determine appropriate cadet rank and position.

5.6. DISENROLLMENT RULES AND PROCESSES. Haywood Co. Schools has authorized the SASI authority to disenroll an AFJROTC cadet at any time during the academic year with proper cause. Disenrollment is a last resort, and must be preceded by documentation and corrective counseling. However, it is necessary in some cases, in order to maintain the morale and discipline of the unit.

Instructors must work together with the cadets, their parents, unit cadet leaders, school counselors and administrators to resolve these issues. However, when these efforts are unsuccessful, the SASI is allowed to remove the cadet from the NC-075 AFJROTC program.

5.6.1. In most cases, a maximum of three weeks is sufficient to complete this entire administrative process. The cadet either chooses to comply as required, or is removed from AFJROTC. These students can be placed wherever the school administration sees fit, but it is the HQ AFJROTC position that these students must be removed from the AFJROTC class and disenrolled.

5.6.1. Cadets may be disenrolled from AFJROTC based on any other conduct related reason deemed appropriate by the AFJROTC SASI or the principal.

5.6.2. Disenrollment WILL used be a last resort; preceded by substantiated documentation and corrective counseling, to maintain the morale and discipline of the unit.

5.6.3. NC-075 Examples of Disenrollment: The following list is NOT all inclusive and a cadet may be removed for any one or combination of the following:

5.6.3.1. Cadet Honor Code violation(s), disciplinary problems, and other derogatory reasons.

5.6.3.2. Failing to maintain acceptable course standards such as, but not limited to the following: failing grades, improper haircuts, unacceptable grooming, incorrect uniform wear, failure to wear the uniform when required, i.e., four or more no uniform days per semester or half of the academic year, etc.

5.6.3.3. Ineptitude (inability or unwillingness to grasp academic material) or indifference to training; i.e., participation in drill and ceremonies or leadership development activities.

5.6.3.4. Undesirable traits of character and/or inappropriate behavior (in or out of uniform) while participating in AFJROTC. This behavior includes, but is not limited to, consuming alcohol, drug abuse, tobacco use, horseplay, public display of affection, fighting, disparaging remarks, insubordination, disrespect, verbal threats, and physical attacks.

5.6.3.5. Failing to remain enrolled in school and make satisfactory progress towards graduation.

5.6.3.6. Individual request for release, consistent with current THS drop/add policy.

5.6.4. Failure to Comply with AFJROTC and/or Tuscola High School Regulations and Standards.

5.6.4.1. Failure to comply with the personal appearance and grooming standards prescribed in Air Force Instruction 36-2903 and the AFJROTC Uniform and Awards Chapter of the Operation Supplement. Examples of inappropriate grooming include (males) earrings, dreadlocks/braided hair, beards, fad haircuts, baggy/saggy pants; (females in uniform) multiple earrings, facial piercing, multi colored fingernails, excessive hair that interferes with proper wear of headgear.

5.6.4.2. Cadets NOT demonstrating proper conduct will be limited in participation so that the “good order and discipline” of the unit is not compromised. If rescheduling these cadets is not possible, they will be permanently removed from the Good Standing List and the training environment with a failing grade for not meeting Congressional standards.

5.6.5. Any other reason deemed appropriate by the SASI and/or school administration.

5.7. Student Classifications. Cadet personnel classifications are defined below.

5.7.1. AFJROTC Cadet. A student who meets eligibility requirements for participation as described in paragraph 62.2. And is currently enrolled in the AFJROTC Academic Program.

5.7.2. Foreign Student. Local school policy will be followed in determining the eligibility of a Foreign Student to participate as a cadet in the AFJROTC program. If approved by the school to participate, Foreign Students will fully participate in the program and are required to meet all standards.

5.7.3. AFJROTC Graduate. A student who has successfully completed the AFJROTC Academic Program as prescribed by public law and Air Force instruction and has been awarded a Certificate of Completion (see paragraph 62.5.).

5.8. RESERVE CADET (*Participation*) PROGRAM. A Reserve Cadet is basically a cadet who cannot enroll in AFJROTC courses within the school and is in the AFJROTC program for the sole purpose of participating in co-curricular (after school) activities. To qualify as a Reserve Cadet, a student will meet one of the following criteria, with SASI concurrence.

5.8.1. The student has completed the entire AFJROTC Academic Program at the school and cannot continue without duplicating curriculum courses.

5.8.2. The student is currently enrolled in a 4x4 scheduled unit, has completed an AFJROTC course during Term #1 (the first semester), but is not participating in an AFJROTC course during Term #2 (the second semester).

5.8.3. The student is in a Traditional scheduled school, but cannot participate in the AFJROTC academic program for that particular year due to only duplicated courses being offered.

5.8.4. A student must have been a cadet for at least one academic year (academic term for 4x4) prior to being considered a Reserve Cadet.

5.8.5. Reserve Cadets may participate in all AFJROTC activities (community service, drill team, honor guard, etc.).

5.8.5.1. Time in reserve status DOES NOT count towards the Certificate of Completion, nor do Reserve Cadets count toward minimum unit enrollment or unit funding.

5.8.5.2. Reserve Cadets may retain their uniform for the entire academic year. Uniforms for these Reserve Cadets must be issued out of the unit's uniform overage or obtained at no expense to the Air Force.

5.8.6. SASI/ASI approval is required.

5.8.7. Official Reserve Cadet Title/Status: *Reservist*.

5.8.8. Additional NC-075 Standards: To maintain Reservist status; cadets must wear the designated uniform on uniform day; and report for uniform inspection prior to school or at break. AFJROTC instructions/standards apply.

5.8.9. Reservists are eligible to participate in the Cadet Promotion Program; provided they meet all requirements during that semester.

5.8.10. Reservists are eligible to participate in all JROTC extra-curricular/co-curricular activities and earn ribbons for participation in JROTC activities.

5.8.11. Reservists must check the classroom bulletin boards/with flight leadership weekly to ensure effective communications.

5.9. PROGRAM COMPLETION.

5.9.1. AFJROTC Graduate. A student who has successfully completed the AFJROTC academic program as prescribed by public law and Air Force instruction and has been awarded a Certificate of Completion.

5.9.2. Completion Certificate. Passing grades in every credit-granting academic period constitutes successful completion of the AFJROTC program and makes the cadet eligible by law for a Certificate of Completion.

5.9.2.1. Certificate Types. All cadets will be awarded an AF Form 1256, *Certificate of Training*, for successful completion of 2 academic program years of AFJROTC with SASI concurrence. AFJROTC Form 310, *AFJROTC Certificate of Completion*, will be awarded to all cadets for successful completion of 3 academic program years of AFJROTC with SASI concurrence. AFJROTC instructors administering a 4-year program have the option of issuing an updated Certificate of Completion after 4 academic program years.

5.9.2.2. Certificate Eligibility. Cadets may be awarded certificates even if they do not graduate from high school, since the certificate is based only on AFJROTC performance.

5.9.2.3. Recognition. The AFJROTC Form 308, *AFJROTC Certificate of Recognition*, is used to recognize AFJROTC cadets and organizations (units) for outstanding support and achievement. The SASI presents this certificate.

5.9.3. Advanced Enlistment. In accordance with DODI 1205.13, JROTC cadets may be eligible for enlistment at a higher grade. For specifics, refer to each service's recruiting instructions/regulations.

5.9.4. ROTC Course Credit. A student completing at least two years of JROTC may be entitled to credit in the Senior ROTC program. See AFROTCI 36-2011, Cadet Operations, for specifics. ROTC

scholarships are Senior ROTC controlled. Inquiries on scholarship eligibility, availability, and other scholarship-related issues should be made to Holm Center/RRUC.

5.9.5. Service Academy Nominations. U.S.C. Title 10 sets aside up to 20 nominations per Service Academy for “honor graduates of JROTC honor schools.”

5.9.5.1. Air Force Academy Nominations: Students will apply for nomination to the Senior Aerospace Science Instructor (SASI), SASI must certify that the applicants meet the basic eligibility requirements and have or will have successfully completed the prescribed AFJROTC program by the end of the school year. The SASI will contact USAFA Admissions for an AFJROTC Nomination Appointment form.

5.9.5.2. Holm Center Operations Support will send a list of the AFJROTC Distinguished Unit Award winners to USNA and USMA Service Academies. The Service Academies will maintain a Distinguished Unit Award list so cadets who apply to Academies on line will get additional consideration. (AFI 36-2019 and USAFA Sup to AFI 36-2019).

5.9.5.3. Due to the level of competition for these limited appointments, cadets are highly encouraged to pursue other nomination sources to increase their chances of earning an appointment.
