FINANCIAL AID NIGHT

Thursday, January 28th at 6:00 P.M.
(Snow Date: February 11th)

College life can offer most students a chance for intellectual growth, a taste of independence, and a new circle of friends. However, nothing can spoil the experience more than the thought of paying for college. Paying your child's college bills does not have to be difficult or devastating as long as you educate yourself on financial aid.

Financial Aid Night will be held at Haywood Community College, and there will be presentations on general financial aid information, CFNC, and filling out the FAFSA.

Congrats!

FAFSA Day!

On Saturday, February 13, 2010 college financial aid officers and other financial aid specialists will assist students in the completion and the electronic submission of their Free Application for Federal Student Aid (FAFSA) forms.

IMPORTANT NOTES:

1) FAFSA Day takes place before most deadlines for submission of the form, but you should check with the institutions you are considering to make sure their deadlines are not earlier. If the deadlines are earlier, you should not wait for the FAFSA Day program to submit your application.

2) While the intention of this program is to provide assistance in completing the FAFSA, some colleges require additional documents, such as institutional financial aid forms or the CSS PROFILE. The financial aid representatives on site the day of the program will try to answer questions or provide general information you might have about forms other than the FAFSA, or will advise you if the North Carolina institutions you are considering require additional forms; however they may not be familiar with some forms. In such instances they will advise students to contact the financial aid offices at the colleges they are considering, if they need assistance.
