- notebook
- quizzes
- tests

Grading:

- Tests count 40%
- Quizzes count 40%
- Classwork counts 20%

Retests: Students may retake quizzes twice and tests once, and only the highest grade counts.

Final Exam: ALL students will be required to take the District Final Exam for this course. This exam will count as 25% of your semester average.

Absences: Absences 7, 8 and 9 must be made up. Students with 10 or more absences must appeal the absences in order to receive credit.

Tardies: Students should report to class on time. If you are tardy you must report to the ISS room and get a tardy slip to be allowed into class.

Make-up Procedures: I will always post daily assignments in Google Classroom for anyone who is absent. When you are absent, please check Google Classroom

for your assignment. Students have two school days to make up work for each day they are absent. It is the student's responsibility to get missed assignments and return them within the correct time in order to receive credit.

Cell Phones: Cell phones must be silenced and placed in the container in the back of the room, and will not be available until the end of class. Failure to comply will result in an office referral. Students are also not allowed to have airpods or other headphones out during class.

I will enforce all school rules. Please dress according to the dress code and refrain from using profanity or suggestive language.
