

# Leadership

## **WHAT WE WILL LEARN**

Welcome to THS Leadership. In this class, you will learn what it means to be a leader, in many facets of life. You will learn more about yourself than ever before. We will organize events, make BIG decisions, travel to other schools, participate in social media trends, keep spirit alive and well, and ensure TUSCOLA remains a great place to learn.

## **WHAT WE WILL DO**

You are now a leader in the classroom, in our school, our community, and other schools around our county. Being a member of this class requires a ton of responsibility, maturity, and freedom. You are a role model, a worker, and a mentor to others. We lead by example, we work with integrity, and we foster spirit and unity at Tuscola.
