

GOOD NEWS JUST FOR NORTH CAROLINA JUNIORS

On March 1, 2016, you and your classmates will participate in the weekday administration of the ACT, a college admissions test accepted by all 4-year colleges and universities in the United States. As you prepare for the ACT, know that the colleges and universities in North Carolina look forward to receiving ACT scores that you may send to their institutions.

Prior to the March 1st test date, you will complete the “**pre-test portion**” of an answer document in a school session. At this time, you will have an opportunity to:

- **select up to four colleges and universities you would like to receive your ACT scores (free of charge).** A wide range of colleges and universities and majors are available here in your home state. Should you decide to stay in North Carolina for this next phase of your educational career, and want to send your scores to one or more of the North Carolina colleges or universities, a list of the North Carolina college and university codes is provided on the reverse side of this letter. You may wish to discuss these choices with your parent(s) ahead of the pre-test session. You may bring this document with you to the session to help you identify your selection(s).
- **select to participate in the *ACT Educational Opportunity Service (EOS)*:** This is a FREE college and scholarship information service for students who take the ACT. **Select “Yes” to participate and include your email address so that you may be contacted.**
- **complete the *Student Profile Section*** - Colleges and universities will use this information to better inform you about their academic programs, activities, events, and unique campus characteristics that match your needs and interests.

Your transition from high school to college or the workforce is crucial not only for you, but also to North Carolina’s future and that of our nation. ACT staff and North Carolina educators encourage you to do your best on the ACT, as well as on your remaining high school coursework.
