

Tuscola High School Academic Awards Program

May 3, 2016

Members of Tuscola's administration, counseling center, faculty and community members will be recognizing many of our outstanding students during our Academic Awards Program, which will be held on Monday, May 16th at 6:00 p.m. in our school auditorium.

For some seniors, this night will represent the culmination of four outstanding academic years as they are recognized as scholarship winners. Others will be recognized for academic excellence in a particular subject area, and deserving members of our student body will also be recognized because they are in National Honor Society, Art Honor Society, or Career & Technical Education Honor Society. Students will be honored with one or more of these awards. The point is, this is a very special night of recognition for many students, and I would especially like to invite you to share this night with them.

Once again, we have revised the procedure to provide maximum recognition with a more rapidly paced program format for the enjoyment of our audience!

We look forward to seeing you there!

Sincerely,

Mrs. Sherri H. Christopher
Coordinator
Tuscola Academic Awards Program
