3rd Six Weeks- 25%  
Final Exam- 25%

## Expectations

- Be Prepared
- Be Respectful
- Listen to all directions
- Be Positive
- Be Productive
- Participate

## Final Exam Grade:

This course is on a proficiency scale (see the attached scale) where you will be asked to complete projects throughout the semester to accumulate your final exam score. Failure to turn in projects will result in a lower exam score and result in a not met proficiency status.

## Health & Safety

This course involves regular outdoor work. Students will be expected to participate to the best of their physical ability. Students will work outdoors on livestock projects, and inside the barn doing regular maintenance and production tasks. Students will also be making regular walks around campus and examining animals. Any student enrolled in this course will be trained in safety procedures and is required to sign a safety contract due to the consistent contact with equipment, tools, sharp objects, and agricultural chemicals.

## Cell Phones

No cell phones should be present in the classroom/barn and should be held in the cell phone pockets. Remember that students are not to have their phones during any instructional time per state legislation.

1st Offense-Verbal Warning  
2nd Offense-Referral to Office

## Late Work & Absence Policy

### Late Work

If a student was *present* when the assignment was due but failed to turn it in, there is a 10% deduction per day that the assignment is late.

### Absence Policy

A student has **ONE WEEK** to make up the work if they were absent until it becomes a zero. The student must look in the "Absence" Folder and speak to me when they get back. **It is the student's responsibility to reach out to me!**
