

Please take a moment to join the Remind for **only** the bus that picks up and/or drops off the student. If the student rides different buses for AM & PM routes, please join each of those. **DO NOT** join the Remind for a bus if it is only ridden by the student on the transfer between Waynesville Middle School and Tuscola High School. This system will be used going forward to notify students and parents of bus changes due to inclement weather, route changes and cancellations, etc.

Thank you.
