Quiz
25.0%

Test
50.0%

Class Materials: (If you need help getting these please let me know)

- ★ Pencils & Pens
- ★ College Rule Composition Notebook
- ★ Tape & Glue Sticks

Classroom Expectations:

1. This semester in math we are going to be moving through standards at a fast pace. My expectations from you are that you try your best, and ask for help when needed. My job is to prepare you for math 3, so you will be learning some math 3 concepts as an introduction.
2. Respect is important in my classroom. Be respectful to yourself and others.
3. Late work will not be accepted. If you are absent, you will have two days to make up for missing work for each absence.
4. Cell phones must be put up in the pocket holder behind the door when the bell rings. This now a state law, if a student is caught with cell phones 1st offense is warning, 2nd offense, parent contact, 3rd offense will result in office referral.

Topics:

- Equations & Introduction to Functions
- Graphing Quadratic Functions
- Solving Quadratic Equations
- Operations of Polynomials
- Rational Functions (Solving & Graphing)
- Exponential Functions (Solving & Graphing)
- Transformations on a Coordinate Plane
- Similar & Congruent Triangles
- Right Triangles
- Trigonometry
- Probability
