## Grading...

Points scored

---

**Class Materials:** (If you need help getting these please let me know)

- ★ Pencils & Pens
- ★ College Rule Composition Notebook
- ★ Tape & Glue Sticks

---

### **Classroom Expectations:**

1. This semester in math we are going to be moving through standards at a fast pace. My expectations from you are that you try your best, and ask for help when needed.
2. Respect is important in my classroom. Be respectful to yourself and others.
3. Late work will be due at the end of the unit. If it is not turned in at the end of the unit, it will not be accepted.
4. Cell phones must be put up in the pocket holder behind the door when the bell rings. This now a state law, if a student is caught with cell phones 1st offense is warning, 2nd offense, parent contact, 3rd offense will result in office referral.

### **Topics:**

- Properties & operations with complex numbers
- Properties & operations with matrices and vectors
- Algebra & Functions
- Trigonometric & Logarithmic Functions
- Key Features of Piecewise Functions
- Model functions with Regression
- Statistical Investigations
- Informal & Formal Statistical Inferences
- Probability Distributions
