

## Summer Reading Assignment for English IV A – 12th

In order to be enrolled in this course, you must complete an extensive summer reading program to be completed at the start of the school year. You must read two books in their entirety: *Pride and Prejudice* by Jane Austin, **and** a choice of *Dress Your Family in Corduroy and Denim* by David Sedaris **or** *The Tao of Pooh* by Benjamin Hoff. An assessment on *Pride and Prejudice* will be given and an assessment on either optional piece will be given at the start of school. The assessment will be counted twice in the major grade category, which represents 65 % of your grade. This assessment will include comprehension but more importantly analysis of each piece.

In addition, I am requiring you to email me with a personal introduction. I will email you information throughout the summer and ask developing questions about the texts, for which I will expect thoughtful responses. My email is [mmelville@haywood.k12.nc.us](mailto:mmelville@haywood.k12.nc.us) I expect your email of personal introduction by May 21<sup>st</sup> as your first minor grade of the school year.

Looking forward to next year!

M. Melville
