@hcsHaywoodEarly

HEC is a school designed from the ground-up to give each student a personalized head-start toward a four-year college degree. Our students earn 61 hours of transferable college credit through their Associate Degree (Associate in Arts or Associate in Science) as well as their high school diploma in an innovative and collaborative environment with a committed and engaging faculty.

## HEC Quick Facts:

- School Performance Grade: A
- Exceeds Growth
- Student/teacher ratio: 13:1
- 1:1 iPads - Apple Certified Teachers
- Honors level high school courses
- Associate Degree in Arts or Science
- 4 -5 year program
- No cost to students and families - college tuition, college textbooks, iPads, classroom technology, and university campus visits are provided

All 8<sup>th</sup> grade students in the Haywood County School System will have a meeting during the school day to receive general information. Any current 9<sup>th</sup> grade student who is interested may also apply. A Haywood Early College Prospective Student/Parent Night will be held at each middle school for those students interested in applying. Attendance is highly encouraged. Any student who attends a home school, private school, or charter school is welcome to attend any of the three HEC Prospective Student/Parent Nights at the HCS middle schools. Please see information below:
