

Bethel Elementary School

# Summer Library Program

Come grow with us this summer.....

Do you love Fairy Tales  
and other Stories?

Would you like to play a part in creating  
fun solutions to problems some of your  
favorite characters face? For instance...

Have you ever wondered if Jack could  
have escaped the giant another way  
besides climbing down the beanstalk?

What about all the headaches Rapunzel  
could have avoided if her hair was not  
used as a ladder?

**Come to your school library  
this summer and have fun  
building, reading, problem-solving,  
crafting, playing & creating.**

**Tuesdays**

**June 18**

through

**August 6**

**10:00 am -  
3:00 pm**

**Register your child @
