

# Title 1

## A Note from Mrs. Reeves

This note is to inform you about Jonathan Valley and our status as a Title 1 school. Title 1 is the largest federal aid program for our nation's schools. The goals of a Title 1 school are to provide high quality education for every child, provide additional instruction to students needing extra help, and involve parents and family members in their child's education.

Jonathan Valley is very fortunate to have two, full time Title 1 Teacher Assistants on staff and a part time Title 1 tutor, who together represent many years of teaching and tutoring experience.

Please let us know if we can be of assistance to you in any way. We look forward to working with you and having a great year!!

Welcome  
back Panther  
family!

Our Title 1 team is here and ready to serve our students. JVE is a Title 1 school. We will be working with students to polish up our reading and math skills. Please be aware some students will have Title 1 bags with a little extra practice work for home.

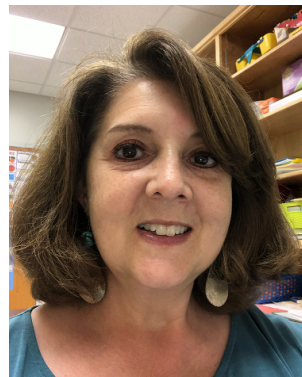

## MRS. BELL

Has worked with all grade levels. She recently taught a second grade class. She is a TN native having moved to NC in 2017. She has been with HCS since 2018. She is looking forward to meeting everyone at JVE.

## MRS. NICHOLS

Is a Haywood County native and retired from teaching music at Junaluska and Jonathan Valley in 2018. She started Title 1 at JVE in 2019. She has been on staff at JVE for a total of 24 years. Jonathan Valley and its students are dear to her heart. It has been enjoyable for her to work with students tutoring Math and Reading. She looks forward to continuing to work with students to help them reach their learning goals.

## MRS. RATHBONE

Is excited to return to Title 1 this year and seeing the growth of our students over the summer. She grew up in Jonathan Valley and actually attended Rock Hill Elementary which was just down the road. She has worked for HCS for 8 years, this is her third year at JVE tutoring reading. She is looking forward to this new school year.
