Parents, Guardians, and Students,

We are so excited about our Canton Middle School 6th Grade Virtual Open House!

You and your child will need to log on to each of your child's Google Classrooms and join the Google Meet at the designated time below. Teachers will go over expectations for making Virtual and Hybrid Learning a success.

If you and your child attend ALL of the Google Meets both of your names will be placed in a hat for a \$25 gift card of your choice. (Ingles, Walmart, etc.)
