- ☐ When you first arrive on campus you will need to check in under the awning with your new counselor. Look for the letter of your last name and they will give you your registration card.
 - ☐ During the time you are on campus you will first be greeted by administration to gain further instruction on the day. When directed, you will be able to visit each department throughout campus.

Safety Protocols:

Please be mindful and follow all safety protocols listed:

1. You may enter campus through the main entrance or through J lot (located next to the tennis courts).
2. Upon arrival you will go through a brief COVID screening consisting of a series of questions and your temperature will be taken.
3. Please wear a mask at all times once out of your vehicle.
4. Please maintain 6ft of distance between families.

After the introduction by administration and the counseling department you will be broken into groups based on your last name and a tour guide will take you around campus showing you all of the different programs, departments, and class opportunities Pisgah High School offers.

Your Challenge:

- At Pisgah we use "Go Bears" as a greeting. When you see old friends and meet new people we challenge you to use "Go Bears" as a greeting!
- At the end of your tour your group will be brought back to the Black Bear in front of the school and we have challenged each group to yell "Go Bears" as loud as you can to end your tour.
