

SIT Meeting – June 16, 2015

Members Present: Sarah Souderes, Sandra Smith, Carla Melton, Rosemary Rogers, Mandy Williamson, Becky Pope, Casey Conard, Carol Clarke, Nicole Revis, Greg Parker, and Kathleen Morgan.

Items of Discussion:

School Improvement Plan

- We had no items to discuss in relation to our School Improvement Plan.

Master Schedule 2015-2016

- HCS Art teachers have been shuffled around in the County to make the number of students they see more equitable. For this reason, we will not be having Julie here anymore. At this time, we don't know who are new teacher will be.
- We created a draft schedule, but won't have it completed since there are many outstanding variables such as, how many days Kaye will be here, the number of days the art teacher will be here, and number of teachers at each grade level.
- We also discussed our current Needs Assessment data and added to the areas Becky felt we need additional information. More details to follow when this report is finalized.

UPCOMING DATES:

- SIT Summer Meeting Date: August 3rd – 8:00am – at Hazelwood Library
- The Leader in Me - Empowerment Date – for all staff – Hazelwood Library
