What is a School—Parent and Family Engagement Compact?

A School—Parent and Family Engagement Compact for Achievement is an agreement that parents and family members, students, and teachers develop together. It explains how parents and families and teachers will work together to make sure all students reach grade-level standards.

Jointly Developed

The parents and family members, students, and staff of Junaluska Elementary School developed this School—Parent and Family Engagement Compact for Achievement. Parents and family members provided feedback including ideas for home learning strategies. Based on feedback, teachers suggested specific home learning strategies, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs. Parents and family members are welcome to contribute comments at any time. If you would like to volunteer, participate, and or observe in the classroom, please contact: Alex Masciarelli at amasciar@haywood.k12.nc.us
